

**Start
a career that
makes a real
change**

**Make
a
difference**

**Work for your
local council**

Change your future and embrace new opportunities

Help us make your community a safer, healthier and happier place to live and work – with a career that offers great benefits, support and flexible working.

You really can make a difference when you start a career with your local council – and we have **hundreds of varied and surprising roles** to choose from.

Work that works for you

Our **flexible working practices** mean you can regain your work-life balance and focus on what's important to you. Depending on the role, that could mean **hybrid, part-time, term-time only or compressed hours**.

How far will you go?

We're fully committed to giving our teams all the opportunities they need to get ahead and advance their careers – with **professional training and development** that could take you further than you ever imagined.

Hundreds of opportunities to change your future

Find a career that suits your **strengths** – choose from hundreds of different roles, from social media to social care.
